Alberta's First Dog Friendly Golf Course!

We love dogs! So we thought, why not bring together our passion for golf with our love of dogs...The result is Alberta's First Dog Friendly Golf Course. Where we invite you leash up your four legged friend for a round!

In 2017 we are expanding our program to include Fridays, Saturdays and Sundays after 4:00pm. There are no additional fees associated with bringing your dog, but there are some additional responsibilities.

Dogs must be on a leash at all times in order to ensure control and to protect other wildlife that lives at or visits the Woodside property

Dog owners are responsible for raking paw prints in bunkers

Dogs and their behavior is the sole responsibility of their owner

Barking or disrupting others golfers with bad behavior will be grounds for removal

Owners are responsible for cleaning up after their dogs and ensuring that dogs do not urinate on greens and tee-boxes

Failure to meet the terms outlined will result in removal of the owner and the dog from the course

Dogs are also welcome to join you pre or post game on lower level patio.

*Dog free tee-times are always available for those who wish to play on their own.
