

# MIXED SENIORS MORNING

Incredibly good times result in stories that are shared over and over with friends. Stories about moments that were so hilarious, so exceptional, so sweet that they leave an impression that lasts forever. Welcome to Senior's Morning Golf at Woodside Golf Course!

If you are 50+ years of age then we invite you to join us for 18 hole of entertainment Monday's at 9:00am throughout the 2019 season. Each week we will feature a different game. Some will be individual based, others will be team based. A League Handicap will be maintained for all players based on their weekly performance. This handicap will be used only when a net score is part of the game.

Registered League players are invited to join us prior to golf each week for complimentary coffee. All players are asked to check-in with the League Administrator no later than 8:30am so that groups can be randomly drawn with enough time for players to organize themselves prior to the 9:00am shotgun start. Players will be permitted to select one unique person to play with each week should they so desire. Post game, the Woodside culinary team will prepare a number of fantastic Food & Beverage features for league players each week. This is optional, but a great opportunity to mix and mingle while the prizes are being handed out.
