# PROMOTIONAL PRODUCTS

High quality, branded promotional products help clients associate the premium quality of the gifted item with the quality of your business. This is a great way to reward current customers and leave a lasting impression on new or prospective clients.

When executed properly a promotional product marketing strategy can be hugely successful and very rewarding, both for sales and revenue, and the brand's awareness and reputation.

The ROI on promotional products delivers a better return on investment than radio and outdoor advertising and is equal to TV and print.

”

Woodside provided our company with high quality swag at prices that were more competitive than big name promotional companies we had been using.”

# IMPORTANT DETAILS

## Dress Code

Woodside offers guests a casual golfing experience. With that said, we still like to maintain a modest decorum. Please refrain from wearing ripped jeans, cut offs, tank tops, short shorts, sweat pants or swimsuits. Also, we aerate the greens once a year, so we don't need anyone to show up in metal spikes or high heels for unscheduled maintenance - soft spikes or running shoes only. If anyone does show up in these items, we will ask them to change. Participants can visit our fully stocked Pro Shop if they are in need of clothing that is both stylish and conforming.

## Speed of Play

Slow play is one of the biggest complaints golfers have, so we take this seriously. The course marshal has the authority to inform slow groups and also to ask them to pick up their balls and skip holes to catch-up to the group in front of them. Please remind all of your groups that it is their responsibility to keep pace with the group in front of them.

## Etiquette

Our Team works hard to maintain our golf course. Please remind your groups to observe proper etiquette. Repair ball marks, fill divots and rake sand traps. Woodside is surrounded by a residential community, please be respectful of our neighbours. If a golfer hits a home, do the right thing and contact the Pro shop for a lesson. Woodside has an errant golf ball program that handles the cost of repairs for broken windows that occur as a result of errant shots, so please don't hesitate to report any of these.

## Weather

We do our best to make sure you and your guests have the best event possible. Most of the time Mother Nature cooperates with us, but when she doesn't we provide all of our guests with a 100% rain check policy that gives them the opportunity to play with us again on another day. Tournaments will be deemed playable rain or shine, unless course management closes the course due to really ugly weather. In the event of cancellation by Woodside, the golfing portion of the tournament will be rescheduled or reimbursed. The banquet will be held regardless of weather.

# MORE IMPORTANT DETAILS

## Food & Beverage

**ALL FOOD & BEVERAGE PRODUCTS MUST BE SUPPLIED BY WOODSIDE GOLF COURSE.** The Alberta Gaming and Liquor Commission and the Calgary Health Authority mandate that Woodside is required to provide you with all of these goodies under the terms of our license agreements. Please speak to one of our Food & Beverage Team about any possible exceptions. Should you have guests with special meal requests, you can arrange these with the Woodside Team. Food & Beverage Meal Prices are subject to change. Prices quoted are valid for 60 days prior to the event. **WE ENFORCE A ZERO TOLERANCE POLICY FOR OUTSIDE ALCOHOL. NO ALCOHOLIC BEVERAGES ARE PERMITTED ON THE COURSE UNLESS PURCHASED FROM WOODSIDE GOLF COURSE.** Any alcoholic beverages brought onto the premises will be confiscated and playing privileges will be revoked without refund.

## Prizes

All Woodside Tournament Packages include an allotment of \$10 per player for a prize pool. Tournament Organizers can either select merchandise from the Pro Shop or provide the winners with Gift Cards in denominations of their choice.

## Shotgun Starts

In order to host a Shotgun Start, Woodside requires that you have a minimum of 96 players. \*Woodside reserves the right to include non-tournament guests for events with fewer than 120 players. It should be noted that events that book a shotgun and end up with less than 96 players confirmed 18 days prior to the event will have their start format changed, or will be billed for 96 players in order to keep their shotgun start.

## Guaranteed Numbers

Woodside requires that you provide us with an estimated number of tournament guests at time of booking and that you update our team if there are drastic changes to this estimate in either direction. Woodside requests that Tournament Organizers provide us with the minimum number of guests to be attending 18 days prior to your event. This will be the minimum number of players that you will be invoiced for. Woodside will require the number of meals for your event 7 days prior to your event, again this will be the minimum number of meals that you will be invoiced for. Finally, Woodside requires a list of your golf groups or teams 3 days prior to your event.

# EVEN MORE IMPORTANT DETAILS

## Damages

We want you and your guests to have an incredibly good time, but we also need to be able to continue to provide exceptionally good conditions to all of our members and guests - this means our facility and equipment need to be in good working order. Tournament Organizers will be responsible for collecting property and equipment damages caused as a result of misconduct by their guests. In the event that an individual who has damaged property neglects to inform the tournament organizer(s) or Woodside Golf Course, the tournament will be responsible for all costs associated with the damage.

## Rental Clubs

Woodside has a limited number of golf clubs available for those guests who do not have their own equipment. If your group has more than 12 people who require rentals we will do our best to accommodate but will require 18 days notice to source extra equipment.

## Online Registration | Event Web Page

Let us help you sell your event to potential players. We can create a personalized event page for you to share information and collect registrations and payments. There simply is no better way to promote your event. We'll even include some added value for any of your sponsors by featuring them on your event page and including them as advertisers inside our Mobile Scoring application. The following fees are applicable:
